## BO WOOD FARM

One of the newer herds in the Pike County area and located two miles Southwest of Clarksville is that of Bo Wood Farm owned by Chas. E. Bascom, St. Louis, Missouri, manufacturer. The herd is handled on the farm by Clarence and Eugene Brown under whose direction, care and development the get of the present herd sire, Command's Masterpiece, has placed it in a degree of prominence not often acquired in such a short while. Their winnings at both the International Congress shows and sales and Missouri state shows and sales have been so consistent that Command's Masterpiece must be regarded as one of the strongest sires in the Middle West. It is the get of this great bull that Bo Wood Farm is featuring in this sale as lots 2-3-4-5.

## FAIRMEAD FARMS

Prescott, Bradbury & Walker

The Fairmead Farm herd was started by Mr. Chas. Prescott in 1913 and the Bradbury herd in 1918. Being on adjoining farms the same bulls were used, more or less, on both herds, and they were always the best available. After the death of Mr. Prescott the herds and farms were combined in a partnership known as Fairmead Farms. The herd has been closely culled, any cows not measuring up to our standard being marketed, and some of the best heifers being retained in the herd. Also, any bull calves that do not look like they would make the right kind of bulls are steered. The calves we are offering in the sale are we think the right kind to go anywhere and give a good account of themselves. They are lot numbers 6 to 11.

## Chas. Harness & Son Consignment

The Chas. Harness & Son herd at Corso, Missouri, was established 31 years ago and there is little doubt but that its present high state of efficiency and quality is a result of the following carefully selected and outstanding herd sires used. It is indeed an impressive lot starting back with the great Marshal Foch by Cumberland Marshal 4th, Collynie Royal Lancer by Collynie Clipper Crest, Browndale Waverly by Golden Browndale, Baron Prentice by Prentice, Divide Quickstep by Divide Achievement, and ending up with the present herd sire, Helfred Nimrod, by Fascinator. This solid red bull was the top bull in the 1941 International sale and his get have been particularly low set, compact and blocky. He sired the top heifer in the 1945 Otis Carter Sale and the top open heifer of the 1945 Missouri State Sale and two reserve champion bulls at Missouri State Shows and Sales. Their offering in this sale is made up of two sons and six daughters, lots 12 to 19.

PIKE COUNTY SHORTHORNS

MARMAK SHORTHORN FARMS

Our first Shorthorn purchase was a club steer purchased from Charles Harness in 1926. He was Grand Champion over all breeds at the East St. Louis calf club show and sale that fall. From the profits of this steer, Royal Countess 5th, a R. C. Boeger bred cow, was purchased from Charles Prescott in the Pike County sale in 1927. This cow proved to be one of the greatest producers the herd has ever had. Profits from this great cow and her offsprings and by the use of such bulls as Maxwalton Mariner, Rodney Count, Browndale Superior, Browndale Sensation, Divide Last Goldspur, Raveni Lodestar and Garguston Cock Robin are responsible for the quality of the herd today. Continuously since the herd was founded, high class females were purchased with the most recent purchase being the entire select herd of Ralph Johnson, Mountain Grove, Missouri.

We are especially proud of the nine lots we are selling in this sale. We are featuring the get of Garguston Cock Robin and several Canadian-bred cattle. From the buyer standpoint, the potential breeding value of each and every lot in this entire sale presents very special assurance of profitable results.

## HILLVIEW FARM

The Elliott Farm, five miles west of Clarksville, was purchased by Dr. John P. Murphy in November, 1928. This farm had been owned by the Elliott family for over 125 years and had been used extensively as a livestock farm. Early in 1929 Dr. Murphy purchased four cows from Fairmead Farm and a like number from L. A. Strother & Son. These cows were of the Gypsy Maid, Violet Mist, Secret, Clara and Countess families. These cows were bred to bulls of L. A. Strother & Son, Sni-A-Bar and Leveldale breeding. In recent years Leveldale Prophet, Sni-A-Bar Baronet and Millhills Gift have been used. Today the Hillview herd numbers ninety head of predominately red Shorthorns headed by Marmac Modern Robin. Selling lots 37-38-39.

## **MOSS PREWITT SHORTHORNS**

The Moss Prewitt herd of Shorthorns at Clarksville, Missouri, was established in 1908 and it is fortunate in having had the use of a great line of top sires such as Cumberland Marshal 4th by Cumberland Marshal, Maxwalton Mariner by Imp. Rodney and out of a daughter of Avondale, Browndale Superior by Browndale Count, and the last and present herd sire, Raveni Lodestar. This bull was purchased from the T. Dorsey Jones herd at Shelbyville, Indiana, and he has been a great factor in influencing the uniform, modern type found throughout the Prewitt herd today. This herd is a practical herd wherein all the cattle are handled without a special herdsman and without nurse cows. Probably few herds anywhere have been more profitable to their owner. Selling lots 42 to 45.

OVER THE FENCE ROSE—A choice young dark red cow, bred by Mr. George Holland, one of Pike county's oldest and most reliable breeders. She was sired by the great Fairmead sire, "Fairmead Eclipse," and she is the kind we all like—beautiful head, straight lines, low down and thick and she is nursing a lusty big red bull calf calved March 6, 1946 and is rebred to Imp. Garguston Cock Robin.

## STROWOLD FARM

Strowold Farms started in the Shorthorn business in 1908 when we bought a few cows in the Prichett sale at Frankford, Missouri. Of course they were plain bred cattle or Scotch top and then we bought a few along until 1920 when we traded all of them to George Chapple & Son of Bowling Green for a bunch of straight Scotch cows and calves and have several of those in the herd now or rather granddaughters of those cows. As to the bulls we have used, the first bull was a Cumberland bull, the next a grandson of Imp. Villager, a grandson of Imp. Cudham Dreadnaught, a son of Divide Sensation, a son of Dreadnaught Parade, a son of Leaders Diamond Mine, a son of Sheik of Leveldale and now Imp. Lawton Favorite. The third generation of men at Strowold is now carrying on in the Shorthorn business. We offer the next eight lots in this catalog for your careful study and we leave it to you to pass judgment on their individual merit on sale day.

Reuben K. Strother,  
Marion Strother.
